Confucian Value	Confucian Saying	Our Interpretation
<i>Ren</i>	2.3 The Master said: Guide them with policies and align them with punishments and the people will evade them and have no shame. Guide them with virtue and align them with li and the people will have a sense of shame and fulfill their roles.	A Good leader is not someone who creates strict rules and harsh punishments. A good leader is someone who is inherently good and leads by example. People will follow this leader and also be good because they will experience shame if they do not.
