

## Humanities B Folktale Assignment

- 1) Working with a partner, please go to the website below and pick a folktale for your group to work with:

### [Native Fairy Tales of South Africa](#)

- 2) After picking your folktale, let Mr. Fannon know which one you picked so another group does not pick the same folktale.
- 3) Each member of your group should read the folktale.
- 4) When the group is done, discuss the folktale. Try to explain to each other what the moral, or message of the folktale is.
- 5) Then go to the website below:

### [Storyboard That](#)

- 6) Create a storyboard for your folktale. Use as many slides as you need to tell your story. On the final slide, relate what the message of the tale is for the class.
- 7) Then, save your storyboard as a PDF and email it to Mr. Fannon at [jfannon@hartdistrict.org](mailto:jfannon@hartdistrict.org)
  - a. Be sure to include the names of all of your group members in your email.
